**2008 Navigation Car Rally**

**Sunday April 27, 2008**

Beginning about 9:00 am and ending about noon, with the awards being held after. Any type car/ truck/ van/ jeep can participate, though sports cars and convertibles seem to offer the most fun! There must be at least two people per vehicle, a driver and a navigator.

A navigation car rally is straight-forward with no gimmicks (e.g. not a poker rally, nor having to solve riddles, etc.).

It involves following a set of instructions that are completed in order, and will take you on a course that stays on paved roads and maintaining speeds within legal limits, beginning and finishing in Bend.

All participants follow the same course, leaving the start and checkpoints along the way at one minute intervals.

Manned checkpoints (except for the initial odometer checkpoint) are encountered along the course.

At each checkpoint your time to complete the rally to that point will be noted, and your time for the next leg will begin.

**Basic Premise:**

To have fun. There will be three events this weekend. Two timed car events and a go kart session. The best time for EACH member of a team in EACH event will count to a combined time for the weekend. Winners get pizza Sunday for lunch. Losers get pizza Sunday for lunch. Since this is a Dad/Son event some of you may need to adopt for the weekend. (Any dad/son, dad/daughter, mom/son, mom/daughter, or adoptive parent and kid combination as a team. If you do not have such a combination then figure out, who's your Daddy?)

Go to [WWW.AUTOXCLUB.ORG](http://WWW.AUTOXCLUB.ORG) for more info on this event.
