**Pfadt Adjustable Sway Bars** for 1997 - 2004 \$400

Lightly used, these bars are stiffer than the Z51 and Z06 stock bars but not as stiff as T-1. Referred to as "street" bars. Four position adjustments. Instructions included.

**Factory Wheels** for 1999 Corvette with used **Kumho V710** race tires. \$500

Will fit 1997 - 2004 Corvette. Includes factory air pressure sensors

Two 17" x 8.5" wheels with 245/45/17 Kumho V710's;  
Two 18" x 9.5" wheels with 285/30/18 Kumho V710's

Tires were heat cycled by Tire Rack; tread depth 3 - 4/32, when new 4/32. Some accumulation of "marbles" on rears, but should come off after a few runs.
